

Dance focused oral histories in the National Library of Australia (NLA) and the National Film and Sound Archive (NFSA) as at August 2021

Further information about these interviews can be found on the catalogues of the National Library of Australia and the National Film and Sound Archive where access conditions can also be found. This list focuses largely on theatrical dance and includes dancers, choreographers, directors, designers, administrators, entrepreneurs and others working in the dance area. The National Library's collection also contains a wealth of items relating to folk dance (not included in this list).
